Mr. Wes Lingerfelt:

The Del Air Rockhounds Club would like to THANK YOU for the great box of rocks and minerals you donated to us. When we opened the box, we all said "WOW THESE ARE REALLY NICE SPECIMENS OF ROCKS AND MINERALS".

All of the smaller rock was put into our grab bags for our different children events. We see many hundreds of children through out the year and they will be very happy when they see the very pretty material in each one. The larger specimens will be used in our member shop classes where they can have fun making something special for themselves.

Again, THANK YOU FOR YOUR GREAT DONATION.
